

Anna Gale nomination for SI Riders Rep

Anna has been a competitor for dressage (and many other disciplines) for many years, over many grades. Anna is currently the vice president of the Marlborough Dressage Group, and is making a lot of changes within the group for the betterment of the group. Anna is focused and a hard worker, and I feel she would be excellent in the role as riders rep. She is approachable and is quite well known throughout the country.

Cheers
