Please note the blurbs in italics are from the 2020-2021 season. If we receive an updated blurb, we will let you know.

Merco POLi Payments - World Cup and Premier League

POLi is a great payment alternative to credit and debit cards when purchasing online. It provides a quick, secure and fee-free payment option by connecting you to your bank.

POLi is the internet banking solution behind the equestrian entry platforms – EvoEvents, Main-Events and Showday Online.

With over 1 million adult kiwis not owning a credit card, POLi has grown over the past ten years to become the online internet banking solution for many major online retailers in NZ and Australia, including Air NZ, JetStar, Blue Bridge, NZ Transport Agency, The Warehouse, Spark, 2 Degrees, Farmlands, Mighty Ape, PB Technologies and many local councils.

By choosing to pay with POLi you pay no fees for your transaction. Unlike credit cards the fees are so small the merchants do not feel the need to pass them on to their customers.

Security is the number one priority at POLi. Banks place significant importance on online security and this needs to be matched or bettered by associated payment companies. Safety and security is assured and meets international Standards.

POLi provides a simple, safe and secure process for online internet banking. It integrates easily with a wide range of web and e-commerce platforms, shopping carts and retail solutions. If you are in business with online sales contact the team at MERCO, exclusive NZ distributors of POLi Payments to discuss how POLi can provide a cost-effective online payments solution for your business.

Matthews Hanoverians - 7-Year-Old Breeding Series

Matthews Hanoverians are becoming a force to be reckoned with in the jumping arena. Graffiti MH, Enya MH, Alacazam MH, Giulia MH, and Roulette MH are demonstrating the benefits of a breeding program that is producing top class sport horses based on some of the best Hanoverian bloodlines. All of the mares are top quality imported and selected NZ mares, chosen for bloodlines and performance.

Matthews Hanoverians breeding programme incorporates quality bloodlines, top handling skills, and good nutrition, with lush New Zealand pastures an ideal nursery for young horses to grow up on. They breed around 8 foals a year, using imported frozen semen, using modern and successful stallions.

Matthew Hanoverians welcome your enquiry about the stallions they use, or young horses for sale.

Ultramox - 6-Year-Old Breeding Series

Ultramox is New Zealand's only 3 in 1 equine drench containing moxidectin, making it the broadest spectrum equine wormer available. Ultramox is effective in the treatment and control of roundworms including late encysted Cyathostomes, tapeworms and bots in horses.

Ultramox is safe to use in all classes and types of horses. This includes breeding mares and stallions, pregnant mares (at all stages of their pregnancy) and lactating mares. Safe for foals over 4 weeks of age. Take care in calibrating the dose for foals and smaller breeds.

East Coast Performance Horses - 5-Year-Old Breeding Series

Owned and run by Craig, Jenny and Nicki Booth, East Coast Performance Horses is situated 50km east of Masterton in coastal Wairarapa.

Their aim is to breed quality performance horses to produce and sell into the New Zealand and overseas sport horse markets.

With excellent NZ and International mare bloodlines and using sires from across the globe, they have some exciting progeny set to grace our equestrian industry.

All young stock are well handled and ready for viewing.

Main-Events - Tertiary Challenge Series

Main-Events.com is a long-term sponsor of the NZ Tertiary Jumping Challenge. As the premier online entry platform with a special interest in jumping, they pride themselves on being responsive to rider needs.

In 2020, Main-Events launched the DISCOVERY package giving smaller shows free online entry.

Last year Main-Events launched the popular BOOK-A-BLOCK for ordering stabling to make it easier for friends stay together.

And their latest innovation is a HORSES FOR SALE service with a \$ symbol after a horse name in all Main-Events class lists.

If you are selling, what a great way to show off your horse to a captive audience of riders at a show. And if buying, watch a horse in action from the side-line before you contact the owner - no travel required! Contacting vendor is through a secure email from the horse profile page on Main-Events.

It's totally free and the rider simply ticks FOR SALE under the Horse Profile on Main-Events which has results, photos, and other info about the horse/pony.

Innovate ... Improve ... and Impress. That is what Main-Events.com is all about.

EquiBreed and VDL - Leading Stallion Series & Leading Mare Series

EquiBreed made NZ history by creating New Zealand's first IVF foal. Led by Dr Lee Morris, the EquiBreed team offers excellent results from AI, embryo transfers, frozen semen and fertility services to ensure their breeders realise their dreams. Frozen semen from world leading sires, like Indoctro, Contendro and Negro from VDL stud, GFE and Van Olst, is available on a pregnancy basis. With so many options, contact EquiBreed to make sure your next foal is "Created by EquiBreed".

Show Hunter Sponsors 2021-2022

NRM – Open High Points Series

NRM has been feeding rural New Zealand for over 120 years. Offering a wide range of quality animal feeds to nourish large scale dairy farms to backyard chickens and everything in between, NRM is particularly passionate about equine nutrition.

The team of Nutrition Specialists, together with international nutrition partners Kentucky Equine Research, have the experience and expertise to maximise your horse's performance and well-being through every stage of its life. After more than a century of dedication, NRM is a trusted name in nutrition.

GYRO Plastics – Junior High Points Series

Gyro Plastics Ltd was started in 1968 in Wellington, producing products for the electrical industry and custom moulding for companies in NZ and Australia. Since 2000, Gyro Plastics have concentrated on servicing the electrical networks with a range of underground distribution pillars and cabinets. Custom moulding is still carried out as required by their customers. For more information on Gyro Plastics products please visit www.gyroplastics.com

Carousel Equestrian– Amateur Showhunter Series

Carousel Equestrian was founded in Canterbury in 2012. Their mission is to provide New Zealand riders with access to high quality, stylish, lambskin equestrian products at prices that enable you to use the products daily, rather than saving them only for competitions.

All their saddle products also feature our coveted pocket/insert "shim" system to assist with saddle fitting issues as horses change shape, or for easy use on multiple horses.

All of their products are made from premium first grade lambskin and are designed to provide your horse with the ultimate comfort for every day, and competition. Their full range is available on our website www.carouselequestrian.co.nz and they are happy to discuss custom orders to include branding for stables, businesses and clubs.

Hokonui Sport Horses – Category A High Points

Hokonui Sport Horses are a boutique stud, breeding small numbers of foals every year. Their broodmare band is small and picked for quality, consisting of mares imported from Germany, Australia, and some NZ bred mares with proven progeny out competing ... all have nice natures and are easy to work with.

They use the best stallions they can source, predominately using frozen semen so they can best match the stallion to the individual mare. Except for the odd filly being retained for breeding purposes all the horses are for sale.

Just recently they purchased a stallion Glenara Rockafeller - bred by the famous Paul Schockemöhle he has a pedigree jam packed with top quality, international horses! His progeny will also be for sale!

For those wanting to invest in their future, buying a weanling or yearling is the most cost-effective way to start out. Lower outlay means lower risk and almost certainly higher gain as all progenies are proving to be talented.

Hokonui Sport Horses have done things like 'order a foal' where you pick the stallion to your choice of mare. Payment options are available. They are open to ideas, feel free to talk to owner and operator, Amanda Tulloch, about any options, or just to discuss the horses.

Fiber Fresh – Category B High Points

Fiber Fresh is a New Zealand owned and operated company producing a quality forage fibre to fulfil the nutritional needs of animals.

Using innovative research and development, Fiber Fresh has produced a natural product range that promotes the health, development, and performance of horses by simply, Optimising Natures Brilliance.

Fiber Fresh is proud to be supporting the Category B Show Hunter Series this year and is looking forward to following the success of another great Show Hunter season.

Aniwell – Category C High Points

Aniwell has been developing leading veterinary products in New Zealand for over 40 years. The Aniwell® range of skin, wound and sun protection products – FiltaBac®, FiltaClear® and Active Manuka Honey Vet (AMHVet®) are suitable for all types of animals. Providing antibacterial wound protection and total sun-blocking.

Use all year round to protect and assist with sun exposure, sweet-itch, mud-fever, other common skin conditions and for protecting cuts, bites, grazes, and general wounds.

Petticoat Lane Performance Horses – Adult Equitation

Petticoat Lane Performance Horses is a small boutique stud owned and operated by veterinarian Hayley Shaw in North Otago. PLPH prides themselves on producing a small number of elite young stock each season representing Europe's best bloodlines including Clinton, Heartbreaker, Emerald, Escudo 1, Stakkato, and Quidam De Revel just to name a few.

All young stock is raised on a high-country farm where they develop into well socialised, sensible, hardy, nimble, and athletic horses ready to excel. Viewing is by appointment.

A couple of seasons ago Hayley added the cremello stallion SP Blue Eyed Ghost to the mix. Ghost is one of her competition mounts but is also available at stud. Ghost is stand in addition to her own home bred stallion PL Diamond in the Rough, out of her favourite Lansing mare by Starpower (Stakkato).

PLPH is very keen to support ESNZ Show Hunter. Hayley is a regular competitor in the show hunter ring. Hayley believes show hunter is not only a great discipline in its own right, but it's also the building blocks for creating well-schooled young horses who will go on to excel in the show jumping ring. Hayley is excited to be able to offer a service of choice to one of her two stallions to the winner of the adult equitation series.

BOP & Waikato SH Groups – 12 & Under Equitation

The BOP and Waikato Show Hunter Groups had a vision two years ago to introduce a Series for riders 12 and under to compete in equitation. The first year was such a success that last year it became a National Series and this year it is kindly sponsored by these two Show Hunter Groups. A special thank you is due to the BOP and Waikato Show Hunter Group committees who had this vision and have turned this into a successful national series for our younger pony riders.
