

## Sponsor Announcer Notes 2020-2021 Season

---

### **Merco POLi Payments - World Cup and Premier League**

POLi is a great payment alternative to credit and debit cards when purchasing online. It provides a quick, secure, and fee-free payment option by connecting you to your bank.

POLi is the Internet Banking solution behind the equestrian entry platforms - Equestrian Entries, Main-Events and Showday Online.

With over 1 million adult Kiwis not owning a credit card, POLi has grown over the past ten years to become the online Internet Banking solution for many major online retailers in NZ and Australia, including Air NZ, JetStar, New Zealand Transport Agency, The Warehouse, Spark, 2 Degrees, and Farmlands, to name a few.

By choosing to pay with POLi you pay no fees for your transaction. Banks place significant importance on online security. Security is the number one priority at POLi.

POLi integrates easily with a wide range of web and e-commerce platforms, shopping carts and retail solutions. As you place your show entries through an online service provider you can be at ease that the simple process is safe and secure.

### **ESNZ - Horse Grand Prix Series**

#### **Country TV - Pony Grand Prix Series**

Country TV is NZ's only dedicated rural and equestrian TV Channel, broadcasting on SKY channel 81. Now offers a subscription based live-streaming and Video On Demand platform, with over 500 hours of exciting content to view at your convenience. Country TV's Equestrian Performance on Tuesday Night is the ultimate resource for equestrians, airing show coverage alongside lifestyle programmes that highlight the love of horses and equestrian sports.

Country TV is an Exclusive partner of the FEI (Country TV continues to partner with the FEI and their mission is to offer the very best of local and international equestrian content that covers competitions, behind-the-scenes, clinics and reality programs. From Showjumping, Eventing and Dressage through to Vaulting, Driving, Western and Leisure. Country TV provide everything a horse lover or rider could want to watch. Every Tuesday Night from 7.30pm – 10.30pm.

### **FMG – Young Rider Series**

At FMG, their team of passionate and experienced equine specialists know exactly what to look for when it comes to properly insuring your horse and it's gear.

FMG also insure lifestyle blocks and the many things that a standard city policy doesn't cover. Whether it's your horse escaping and causing an accident, a tree falling onto your neighbour's

property, or your bridge or culverts getting washed out by a storm, FMG offer protection for the different risks that come with living rurally.

To speak to their equine and lifestyle specialists give them a call on 0800 366 466 or visit [fmg.co.nz](http://fmg.co.nz)

### **Mainland Coachwork– Junior Rider Series**

Mainland Coachwork Limited is an established coachbuilding business, specialising in the manufacture of custom-built horse coaches and floats.

Whether it is a new custom build or an alteration fitout, Rodney, and Paul along with their highly skilled team of craftsman take pride in delivering their quality units throughout New Zealand.

Based out of their new purpose-built workshop in Ashburton, both Rodney and Paul believe in good communication and great service.

YOU TALK, THEY LISTEN.

Located at 19 JB Cullen Drive, Business Estate, Ashburton.

Ph.: 03 3078353

### **Dunstan Horsefeeds - Amateur Rider Series**

Dunstan Horsefeeds is a New Zealand owned and operated company producing quality nutrition for New Zealand horses competing in New Zealand conditions. Dunstan prides themselves on producing their entire range in a totally Equine Safe manufacturing plant using quality ingredients locally sourced from the New Zealand Arable Farming Sector.

Dunstan is proud to be supporting the ESNZ Amateur Rider Series again this year, and is looking forward to following the success of another great Show Jumping season.

### **Harrison Lane - Pro-Amateur Rider Series**

*Harrison Lane build beautiful country homes, bespoke barns and equestrian facilities in the greater Auckland and Waikato regions. They are registered Master Builders who are passionate about their work.*

*At Harrison Lane, they enjoy turning their customers' lifestyle construction dreams into reality – managing the full process from initial concept through to the final finishing touches.*

*They specialize in the custom design, build and development of;*

- *Equestrian Facilities, Arenas, Riding Tracks & Stables – with or without accommodation.*
- *Bespoke Barns, Garages & Workshops*
- *Country Homes*
- *Their full project management service goes beyond traditional design & build, incorporating master site planning, colour co-ordination, landscaping and much more.*

### **Matthews Hanoverians - 7-Year-Old Breeding Series**

Matthews Hanoverians are becoming a force to be reckoned with in the jumping arena. Graffiti MH, Enya MH, Alacazam MH, Giulia MH, and Roulette MH are demonstrating the benefits of a breeding program that is producing top class sport horses based on some of the best Hanoverian bloodlines. All of the mares are top quality imported and selected NZ mares, chosen for bloodlines and performance.

Matthews Hanoverians breeding programme incorporates quality bloodlines, top handling skills, and good nutrition, with lush New Zealand pastures an ideal nursery for young horses to grow up on. They breed around 8 foals a year, using imported frozen semen, using modern and successful stallions.

Matthew Hanoverians welcome your enquiry about the stallions they use, or young horses for sale.

### **Ultramox - 6-Year-Old Breeding Series**

Ultramox is New Zealand's only 3 in 1 equine drench containing moxidectin, making it the broadest spectrum equine wormer available. Ultramox is effective in the treatment and control of roundworms, tapeworms and bots in horses. Ultramox is safe to use in all classes and types of horses. This includes breeding mares and stallions, pregnant mares (at all stages of their pregnancy) and lactating mares. Safe for foals over 4 weeks of age. Take care in calibrating the dose for foals and smaller breeds.

### **East Coast Performance Horses - 5-Year-Old Breeding Series**

Owned and run by Craig, Jenny and Nicki Booth, East Coast Performance Horses is situated 50km east of Masterton in coastal Wairarapa.

Their aim is to breed quality performance horses to produce and sell into the New Zealand and overseas sport horse markets.

With excellent NZ and International mare bloodlines and using sires from across the globe, they have some exciting progeny set to grace our equestrian industry.

All young stock are well handled and ready for viewing.

### **Main-Events - Tertiary Challenge Series**

*Main-Events.com is a long-term sponsor of the NZ Tertiary Jumping Challenge. As the premier online entry platform with a special interest in jumping, they pride themselves on being responsive to rider needs.*

*Last year Main-Events launched the DISCOVERY package giving smaller shows free online entry.*

*This year Main-Events launched the popular BOOK-A-BLOCK for ordering stabling to make it easier for friends stay together.*

*And their latest innovation is a HORSES FOR SALE service with a \$ symbol after a horse name in all Main-Events class lists.*

*If you are selling, what a great way to show off your horse to a captive audience of riders at a show. And if buying, watch a horse in action from the side-line before you contact the owner - no travel required! Contacting vendor is through a secure email from the horse profile page on Main-Events.*

*It's totally free and the rider simply ticks FOR SALE under the Horse Profile on Main-Events which has results, photos, and other info about the horse/pony.*

*Innovate ... Improve ... and Impress. That is what Main-Events.com is all about.*

### **Equibreed and VDL - Leading Stallion Series & Leading Mare Series**

EquiBreed NZ Ltd offers excellence in Equine Reproduction from our purpose-built facilities in the Waikato.

We are a small team offering you a personalised and professional service in all aspects of equine reproduction. We will tailor a breeding programme to your needs and include natural service, artificial insemination, embryo transfer, sex-sorted semen, imports / exports and stallion services and world leading technologies in fertility treatments for problem mares and stallions.

VDL semen is available on a pregnancy fee basis from leading showjumping sires – Indoctro, Zirocco Blue, Grand Slam, Glasgow and more.

To find out more visit our website or talk to Dr Lee Morris, our Specialist in Veterinary Reproduction.

## **Show Hunter Sponsors 2020-2021**

### **NRM – Open High Points Series**

NRM has been feeding rural New Zealand for over 120 years. Offering a wide range of quality animal feeds to nourish large scale dairy farms to backyard chickens and everything in between, NRM is particularly passionate about equine nutrition.

The team of Nutrition Specialists, together with international nutrition partners Kentucky Equine Research, have the experience and expertise to maximise your horse's performance and well-being through every stage of its life. After more than a century of dedication, NRM is a trusted name in nutrition.

### **GYRO Plastics – Junior High Points Series**

*Gyro Plastics Ltd was started in 1968 in Wellington, producing products for the electrical industry and custom moulding for companies in NZ and Australia. Since 2000, Gyro Plastics have concentrated on servicing the electrical networks with a range of underground distribution pillars and cabinets. Custom moulding is still carried out as required by their customers. For more information on Gyro Plastics products please visit [www.gyroplastics.com](http://www.gyroplastics.com)*

### **ESNZ Show Hunter– Amateur Showhunter Series**

### **Float Factory – Category A High Points**

At the Float Factory 2020 we proudly manufacture Horse Floats, Trucks, Flat Decks for utes as well as many other engineering applications big and small.

With 37 years' experience, we pride ourselves on manufacturing top quality floats built from the ground up in Palmerston North, New Zealand using only the finest products. All their steel is sourced from either New Zealand or Australia and is completely traceable.

In September 2019, the company was purchased by a brother and sister team. They are committed to take the company to the next level and pride themselves on great service and products, so call in and see them when you are next in the market for float or if you have some maintenance on your existing float, truck or trailer.

Float Factory are proud to be the naming sponsors of the Category A High Points Series and wish all the competitors the best of luck!

### **Fiber Fresh – Category B High Points**

Fiber Fresh is a New Zealand owned and operated company producing a quality forage fibre to fulfil the nutritional needs of animals.

Using innovative research and development, Fiber Fresh has produced a natural product range that promotes the health, development, and performance of horses by simply, Optimising Nature's Brilliance.

Fiber Fresh is proud to be supporting the Category B Show Hunter Series this year and is looking forward to following the success of another great Show Hunter season.

### **Aniwell – Category C High Points**

Aniwell has been developing leading veterinary products in New Zealand for over 40 years. The Aniwell® range of skin, wound and sun protection products – FiltaBac®, FiltaClear® and Active Manuka Honey Vet (AMHVet®) are suitable for all types of animals. Providing antibacterial wound protection and total sun-blocking.

Use all year round to protect and assist with sun exposure, sweet-itch, mud-fever, other common skin conditions and for protecting cuts, bites, grazes, and general wounds.

### **Suregrip Mats – Pony Equitation**

*SureGrip Mats may be a new company to New Zealand, but it has been successfully running for 14 years in Australia. They have had an amazing response in New Zealand. Their cushion mat has been their largest seller, but rest assured they also have mats for tailgates, wash bays, tie areas, floats and trucks.*

*Mats are made from 50% reclaimed rubber and 50% of a high-quality new rubber compound. Sure Grip Mats back their product 100%, and if there's ever any issues they guarantee to make it right. Sure Grip Mats have sold mats from the top to the bottom of New Zealand, and they've had great feedback.*

*Dean is always available for advice, a free quote, or he can call in to measure up any areas. Simply call Dean Malcolm on 027 641 4102. Or follow and message him on Facebook "SureGrip Mats NZ"*

### **Petticoat Lane Performance Horses – Adult Equitation**

*Petticoat Lane Performance Horses is a small boutique stud owned and operated by veterinarian Hayley Shaw in North Otago. PLPH prides themselves on producing a small number of elite young stock each season representing Europe's best bloodlines including Clinton, Heartbreaker, Emerald, Escudo 1, Stakkato, and Quidam De Revel just to name a few.*

*All young stock is raised on a high-country farm where they develop into well socialised, sensible, hardy, nimble, and athletic horses ready to excel. Viewing is by appointment.*

*This season Hayley has added the cremello stallion SP Blue Eyed Ghost to the mix. Ghost is her main competition mount but will also be available at stud. Ghost will stand in addition to her own home bred stallion PL Diamond in the Rough, out of her favourite Lansing mare by Starpower (Stakkato).*

*PLPH is very keen to support ESNZ Show Hunter. Hayley is a regular competitor in the show hunter ring and she believes show hunter is not only a great discipline in its own right, but it's also the building blocks for creating well-schooled young horses who will go on to excel in the show jumping ring. Hayley is excited to be able to offer a service of choice to one of her two stallions to the winner of the adult equitation series.*

### **ESNZ Show Hunter – 12 & Under Equitation**
