

OFFICIAL SADDLECLOTH BADGE OF ESNZ PARA EQUESTRIAN

All Classified Para riders must have one of these badges each side of the horse at all competitions.

1. Print document in colour and cut out each individual circle. This will mean a tight seal around each badge when you cut them out again after laminating.
2. Lay onto a laminating pouch and laminate.
3. Stick the rough piece of Velcro onto the back and sew the fluffy side onto your saddlecloth. Makes for easy removal of the badge and washing of the saddlecloth.
