HEALTH & SAFETY POLICY

Rotorua Show Jumping Group Spring Show is committed to providing and maintaining a safe and healthy event for all staff, and to providing the information, training and supervision needed to achieve this. We will take all practicable steps by:

- Providing a safe event, safe equipment and proper materials
- Identifying and monitoring hazards and using the hazard management hierarchy of *eliminate, isolate or minimise*
- Insisting upon establishment of safe methods and best practices
- Complying with all H&S legislation, regulations, and codes of practice. **NOTE:** NEC H&S policy specifically states that horses must not be left unattended whilst tied up to trucks or floats at any time. Accordingly, a row of day yards will be allocated for the use of riders who are not staying on the grounds and who have not therefore booked yards.

We will take responsibility for health and safety procedures, however, **ALL PEOPLE ON THIS SITE** need to be aware of their responsibilities and comply with the event's health and safety policy.

COMPETITORS will be responsible for themselves at ALL times by observing safe practices and rules/instructions relating to their competition.

Rotorua Spring Show complies with the ESNZ concussion policy. Riders who have a suspected concussion will be **removed from the event**. Riders who are concussed are often unaware of their symptoms and may want to continue riding. The Ground Jury at the event takes responsibility for the rider's wellbeing, assesses the rider and make an informed choice about whether the rider should continue to ride or not – if any doubt the rider must be removed from the event as per the **Blue Card process** (outlined below).

EVERY PERSON involved in the Rotorua Spring Show is encouraged to play a vital and responsible role in maintaining a safe and healthy event through:

- Being involved in the event health and safety system.
- Following correct procedures.
- Safe and proper use of equipment.
- Wearing protective clothing and equipment as and when required.
- Reporting any pain or discomfort as soon as possible.
- **Ensuring all accidents and incidents are reported.**
- Help new employees, trainees and visitors to understand the right safety procedures and why they exist.
- **Informing the office immediately of any health and safety concerns.**
- Keeping the event facilities tidy to minimise the risk of any trips and falls.

Blue Card process:

ESNZ's Blue Card process has been developed to keep riders safe and to support officials in their duty of care:

- Officials can exclude a rider from participating in a competition or entire event by issuing a Blue Card because the rider has received a serious injury, including concussion or suspected concussion
- If a rider issued with a Blue Card at an event refuses to withdraw from the event, this may result in disciplinary action taken through the disciplinary process set out in the ESNZ general regulations
- The Blue Card notice is logged on a rider's profile on ESNZ's database
- A Blue Card means that a rider is stood down from all riding activities until clearance from a registered GP or registered medical specialist can be obtained
- If a rider who has been issued with a Blue Card competes without first providing medical clearance, this may result in disciplinary action taken through the ESNZ disciplinary process set out in the ESNZ general regulations.

**FOR ANY INFORMATION ON HEALTH AND SAFETY AT ANY TIME PLEASE CALL THE
EVENT HEALTH AND SAFETY OFFICER
