Sunday 13 May 2018 'Plains View' Komata, Paeroa

Another new base!! Another new venue!!

Directions: Address is 217 Strange Rd, Komata, Paeroa. Strange Road is off SH26 between Paeroa and Thames approx 11km north of Paeroa and 29km east of Ngatea. Strange Rd is on the right when travelling north from Paeroa. Base is on the airstrip at the top of Strange Road. The road winds up hill, then becomes the tanker track, which you follow to the top. Entrance to airstrip is on the right and the turn in may be tight so continue round tanker loop and approach from the left if necessary.

There is water at base & overnight camping is available. Most tracks are through paddocks with small sections on farm races. There are two creek crossings. Plenty of water on track. This track does have a decent amount of work in it. You will be either going up or down but the going is good. Fantastic views of the Hauraki Plains, Firth of Thames and beyond.
